

# KINGSTON COMMUNITY SCHOOL

## CURRICULUM

### **CURRICULUM PATTERN**

Kingston Community School seeks to provide a balanced and challenging education to all students with a range of extra curricula activities.

Special Education support is available for identified students in mainstream classes.

Additional support for students at risk is available on a needs basis determined by the school.

Students at Kingston Community School are required to undertake 8 areas of study during their compulsory years of schooling. These areas are:

- English
- Mathematics
- Science
- Humanities and Social Science
- Health and Physical Education
- The Arts
- Technologies.
- Languages other than English

### **YEARS R – 7**

Kingston Community School R-7 curriculum covers the broad areas as follows

- English
- Mathematics –
- Science.-
- Humanities and Social Science
- Health and Physical Education.
- The Arts (Music, Drama, Visual Arts Media, Dance).
- Technologies.
- Languages - German

Some subjects are taken by specialist teachers.

### **. MIDDLE YEARS**

Middle Years curriculum aims to develop:-

- Student academic knowledge and skills
- Social skills
- A healthy lifestyle

Classroom organisation and pedagogy addresses adolescent -needs with

- mixed ability classes that generally stay together for most of their time
- a small number of “core” teachers responsible for a significant amount of their class time for consistency and support.
- students practising new opportunities in a safe, caring environment.

## **YEAR 8**

All students study:

- English
- Mathematics Australian Curriculum
- Science Australian Curriculum
- HASS
- Visual Art
- Music
- Physical Education
- Technologies
- German
- Agriculture

## **YEAR 9**

Course booklets on the school website explain core subjects and subject choices in detail.

## **YEAR 10 – 12 CURRICULUM – SENIOR YEARS**

Course booklets on the school website explain core subjects and subject choices in detail.
