

# KINGSTON COMMUNITY SCHOOL

## TRANSITION TO SECONDARY SCHOOL

Students move successfully into Year 8 classes at our school through

- \* a planned transition programme
- \* communication between parents and the school
- \* provision of bus service to and from school

Families will receive a School Information pack before transition visits. This will include:

- \* Letter outlining transition process
- \* Data sheet with student details
- \* Parent information booklet
- \* Curriculum information
- \* Bus route information
- \* Sample of transition timetable
- \* Various pamphlets

The pack will be distributed via students at their Primary School or post.

Transition to school visits occurs in Week 7 Term 4. Monday – Thursday.

Extended transition programmes can be arranged through the school if required.

Visiting students will be placed in classes with current Year 7 students and will participate in lessons and break activities. On some occasions students may be split into two groups and work with current Year 8 teachers.

School uniform is required for transition visits. A hat is needed for outside activities during transition visits.

Booklists and consent forms will be sent to the students at the end of the year.
